About the symposium

The Early Childhood Symposium will provide an opportunity for teachers, parents and other professionals to learn up-to-date information and share ideas.

The Symposium will be held in Avanté at Harper College. For directions and parking, please visit www.harpercollege.edu or www.goaeyc.org

WORKSHOPS

■ Don't Get Drawn In!

How to Stay Out of Power Struggles With Children.

Practical strategies and language for building the effective relationships with children that prevent (and diffuse) power struggles. Help children become partners in the process of learning to manage their own behavior.

This program is ideal for teachers and other professionals who work with children, and, when shared with both teachers and parents, provides an excellent framework for consistency and support between home and classroom or other settings.

Presenter: John Roope M.Ed.

Director: Early Childhood Mental Health Services

Director: Caregiver Connections ECMH Consultation

■ The Top Ten 101's from:

The 101's A Guide to Positive Discipline

This workshop focuses on establishing responsive, positive teacher-child interactions and meaningful connections that will empower you to promote healthy relationships with children and families. The strategies equip children themselves to become self-directed, consequently requiring less time for teachers to attend to behavior issues, and more time to accomplish the real goal - empowering children with the skills they need to thrive and helping them to take control of their own lives in meaningful and productive ways.

Presenter: Marie Masterson, PhD

Dominican University

REGISTRATION INFO

Registration is limited to the first 150 applicants. Attendees will participate in both workshops. On-site registration will be available only as space permits.

Registration ends 2/17/12.
